1989 Bordeaux Tasting

Dear Members,

Please join us for our third wine tasting of the season. We are privileged to present a horizontal tasting of 1989 Bordeaux conducted by our distinguished member and wine authority, Peter Sichel. The tasting will be held at the University Club. We shall see how these wines have matured after twenty years.

We will taste nine different wines from the 1989 vintage including, among others, Chateau Margaux, Pichon Lalande, Trotanoy, Cos D' Estournel, Ducru Beaucaillou and Gruaud Larose.

The 1989 vintage is generally regarded as an excellent vintage for Bordeaux. The weather conditions were very good as most months were superior for warmth, dryness and sun. The weather conditions resulted in early flowering and an early harvest.

It should be a fascinating tasting. Some people think this is the ideal age to drink quality Bordeaux. Come taste these wines and let us know your opinion. We look forward to seeing you at this unique tasting.

Very truly yours,

Chris Ankner, President
