

## SPECIAL CALIFORNIA CABERNET TASTING

Dear Member:

We are in for a special treat on September 10, when Mark Snyder will conduct a comprehensive tasting of 12 of the best limited production California Cabernet Sauvignons. Come and discover these great wines. This is a reprise of Mark's special tasting two years ago when several of the wines tasted subsequently became some of the highest rated and most sought after wines of the year. Each wine is made by a different, highly prominent winemaker.

Over the last four years, Mark has built Angels' Share Wines, his wine importing and distributing company, into one of the most respected operations in the wine industry. Specializing in supplying the highest quality wines to restaurants, he has gathered a formidable book of clients from California, including Foley, Egelhoff, Grace Family, Hundred Acre, Schrader, Lail, Schein, Caldwell and many others. While Mark has been kind enough to provide his clients' wines at our dinners and tastings on a number of occasions, this tasting will focus on some of his best Cabernets.

After a reception featuring Foley Pinot Blanc, we will taste these blockbuster cabs in three flights of four wines each. In order to introduce an element of mystery and fun into our tasting, we will taste them "flight blind". This means that we will know which four wines are in each flight, but we will not know the order in which they are presented. Below are the awesome Cabernets and Cabernet blends we will be tasting:

Robert Foley Claret 2005  
Egelhoff 2004  
Harris Estate 2005  
Garric 2005  
Celani Family 2005  
Kenefick Ranch 2004  
Shelter "The Butcher" 2005  
Stanton 2005  
D.R. Stephens 2004  
Arns 2003  
Erna Schein 'Behrens Family Reserve' 2005  
Juslyn Estate 2003

This is a special opportunity to taste 12 of the best wines that California has to offer, and to compare and contrast the stylistic differences among the different regions of the Napa Valley and the winemakers who make them. Come join us on September 10.

Sincerely,

Ira Greene and Chris Ankner  
Co-Presidents
